

A QUICK INFORMATION GUIDE

How to Create Groupings for Courses

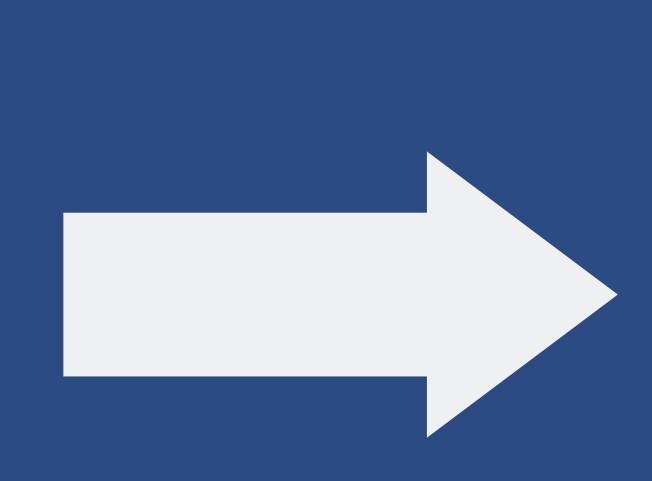

Created by: Farazana Hussein - MISU 28th June, 2023

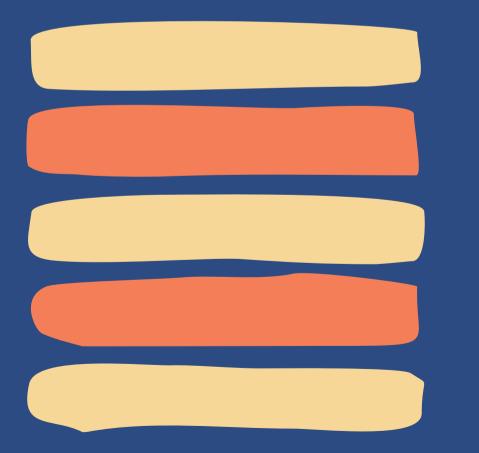

Sign into your CPCE Moodle Platform

Navigate to the Course where you have to create the group.

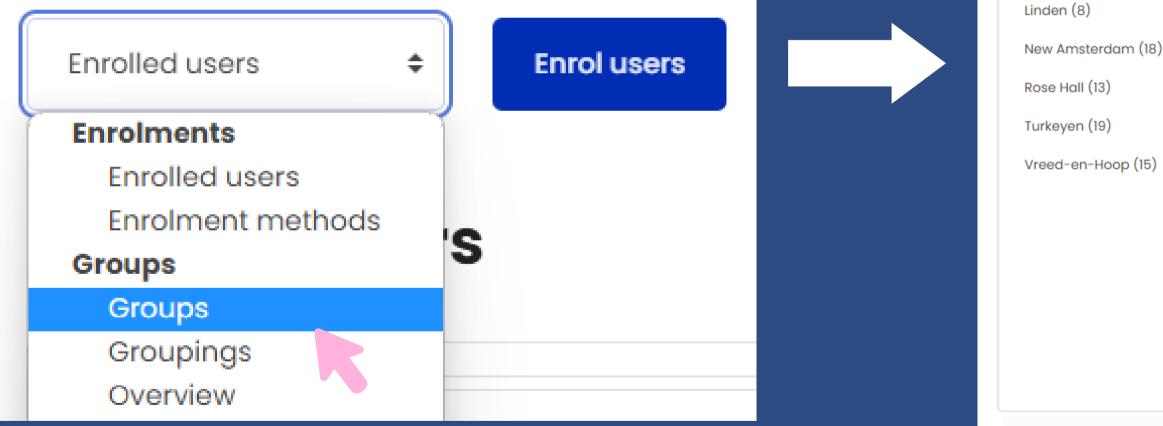

Example **Select the Course** PBS 112 Participants (Business Studies)

Dashboard - Courses - Associate Degree in Education ... - Business Studies - PBS 112 - Participants 00 2-9 Competencies Participants 8 Badges 🖾 Grades Introduction to Accounting Enrolled users \$ Enrol users

You'll then see these view

Create group Auto-create groups Edit group settings Delete selected group

Dashboard - Courses - Associate Degree in Education ... - Business Studies - PBS 112 - Users - Groups

Hinterland (9)

Naming Convention for creating Groups

Teacher Name - Center Name - Type - Group

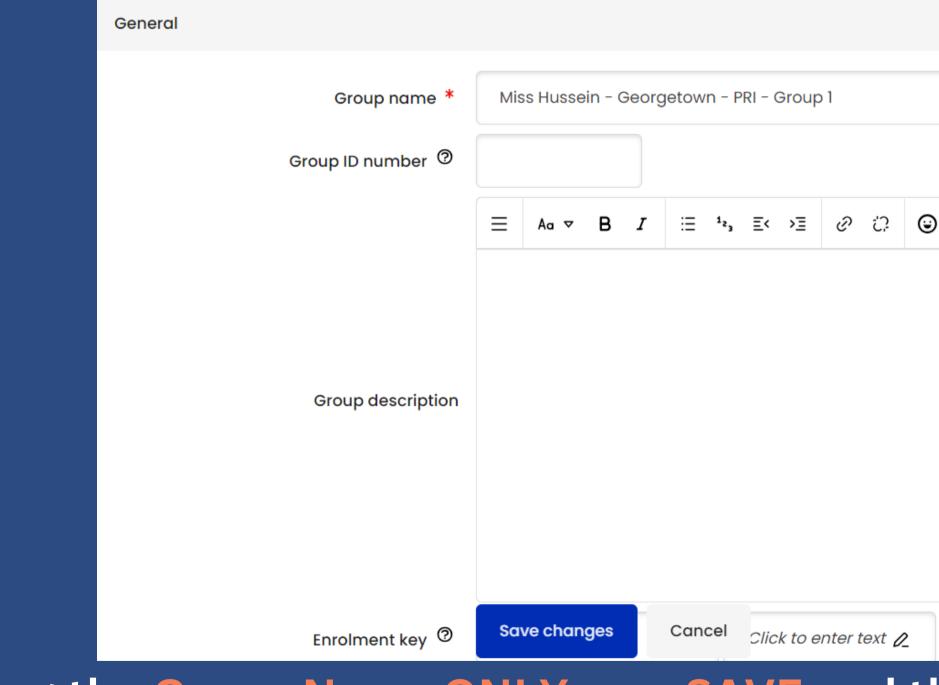

Miss Hussein - Georgetown - PRI- Group 1

If a Lecturer teaches at different centers or more than 1 courses, then you can create that grouping but set the name the GROUP as Group 2, 3 etc.

Miss Hussein - Linden - PRI- Group 2

e - Type - Group - PRI- Group 1

Enter Group Name here

After entering the Group Name ONLY, you SAVE and then proceed to ADD Students to the Group
